

February 2025

Dear Patient,

We are writing today with an important reminder about Mount Sinai's participation with your Medicare Advantage plan.

Effective Saturday, March 1, Mount Sinai Health System will no longer be in Humana's Medicare Advantage network. We know how important it is for you to continue to have in-network access to the Mount Sinai physicians and services you trust, and that is why we want to remind you that the Medicare Advantage Open Enrollment Period is underway now.

Now through Monday, March 31, you have the opportunity to make a one-time change to your Medicare coverage. Once you make this change, your new coverage will begin on the first day of the following month.

If you want to ensure your uninterrupted in-network access to care at Mount Sinai when we leave the Humana Medicare Advantage network on March 1, you must change your coverage by Friday, February 28.

Here's what you need to know:

- As you evaluate the options available to you, please keep in mind that in addition to certain Medicare Advantage plans, **Mount Sinai also participates with Original (traditional) Medicare and all Medicare supplement plans.**
- You can learn more about your Medicare coverage options and view a list of Medicare plans that Mount Sinai will participate with in 2025 by **visiting ChooseMountSinai.org or calling our dedicated community hotline at 833-623-1258.**
- If you wish to continue seeing your Mount Sinai care team but do not want to switch plans at this time, you have the option to:
 - Use out-of-network benefits if your current plan has those benefits
 - Self-pay at the out-of-network rate

It is important to know that Mount Sinai remains in network with your Humana Medicare Advantage plan until Saturday, March 1.

Thank you for trusting us with your care.
